### SOUTH UMPOUA SCHOOL DISTRICT

Grades 1-8

Tri-City Elementary (1-5 grades) South Umpqua High School (6-8 grades)

# **Summer School Learning Camp**

Come Join us this Summer for fun

learning

activities!

Regular attendance will be required for all students signing up for the summer school program.

### Who can attend?

Elementary and middle school students going into grades 1-8 Fall 2024

Permission slips due May 24

# **Summer Learning** Camp

"Summer learning projects are a blast! Last year activities included stomp rockets, balloon boats, and MakeDo building. We are excited to have fun new projects again this year."

### **Summary of Camp:**

Students will participate in interactive assemblies, enrichment fieldtrips, and on site learning experiences from The Bug Guy, and OMSI. Kids will experience off site trips around Douglas County.

"Dive-in" to STEM with engineering projects. Students will explore a different engineering challenge to develop critical thinking skills through deconstruction, exploration and building. Think makerspace and invention mashed together with planning and engineering!

### What will students be doing?

Students will also participate in engaging Physical Education activities, art, music and social-emotional lesson. Our daily focus is to make learning activity based and fun for students!

Cut Here: Return to school by

May 24th, 2024

## The Logistics...

- Camps will be held at Tri-City Elementary School and South Umpqua High School.
- Students must be enrolled with the SUSD school district.
- 5th graders going into 6th grade will sign-up for middle school camps. Students going into 1st grade will enroll in 1st grade camp.
- Current 2023-24 8th graders can sign up for high school credits.

### **Desired Outcomes**

- 1. Develop resiliency and confidence.
- 2. Learn problem-solving skills in a fun and interactive way.
- 3. Build interest in math, science and art!

**Permission Slip** Required!!

Students will be contacted about transportation time.
